Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Saturday 20 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and bright. Cloudy around northern and western coasts.

Today:
Much of mainland will be dry with sunny spells, the best of the sunshine in the east and feeling warm. However, mostly cloudy in the north and along the west coast with a little rain and drizzle.

Tonight:
A band of thicker cloud and patchy light rain pushing south this evening with clearer skies developing overnight. Chilly by dawn with a touch of frost possible.

Sunday:
A dry and bright day across much of the country with the best of the sunshine in the east. Cloudier across the northwest with patchy light rain or drizzle possible.

Outlook for Monday to Wednesday:
Plenty of dry weather in the south and east with some sunshine at times. Occasional rain or showers across the far north and northwest. Windy at times.
